A. NOTES

- Looked at the maps a final time. The existing Hyde County walking trails (Hyde Health Department, Davis School, Mattamuskeet Opportunities, and Mattamuskeet Refuge Trail) were added to the Pedestrian and Bicycle Map. The Transit Map was updated based on comments from the committee. An inset will be created for the Bicycle Map.
- A subcommittee meeting will be held on Ocracoke on December 8, 2011 to go over the Hyde CTP maps.
- We hope to set up meetings with the Hyde County Commissioners in January and hold Public-Drop In Sessions on the Mainland and on Ocracoke in February.
